

ABOUT THE MAJOR

The Sport Management program is an academically rigorous program geared to develop leaders for today's sport industry. Graduates of the program are prepared to compete for entry-level managerial positions in intercollegiate athletics, professional sport organizations, governing agencies, golf course administration, health and fitness, and sport marketing firms among others. The faculty is committed to the advancement of knowledge and practice in the sport industry through the creation and delivery of relevant educational programs, conducting and disseminating research, and working collaboratively with industry organizations.

ABOUT THIS MAP

This program map is intended ONLY as a guide for students to plan their course of study. It does NOT replace any information in the Undergraduate Catalog, which is the official guide for completing degree requirements. Use this map to help plan and guide your experience at UWG, including academic, co-curricular, and discovery opportunities. Everyone's experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.
