

ABOUT THE MAJOR

The B.S.Ed. degree program in Special Education: Adapted Curriculum prepares candidates to acquire the professional knowledge, skills, and dispositions for establishing effective practice. Candidates who successfully complete this program and other requirements of the state certification agency (PSC) will be eligible for Georgia Level 4 certification. Teachers with certification in this area are infield to teach students in grades P-12 with disabilities who receive instruction using the adapted curriculum, as well as students in special education preschool (ages 3-5 years).

ABOUT THIS MAP

This program map is intended ONLY as a guide for students to plan their course of study. It does NOT replace any information in the Undergraduate Catalog, which is the official guide for completing degree requirements. Use this map to help plan and guide your experience at UWG, including academic, co-curricular, and discovery opportunities. Everyone's experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.
