Electives The International Languages and Cultures Program strongly recommends to its majors that 3 electives be courses at the 3000 or above level in their major language. The German Section further recommends that its majors take electives that support their major, including German or European history, German philosophy, music, and/or art, and English courses on periods, topics, theory, and writing. Majors are required to seek advisement from the German faculty.	35	
Total	120	

German majors need to complete 13 required semester hours of German courses and 12 semester hours from 4 GRMN courses at GRMN 3000 and 4000 level.

Note: Students are required to have either done an internship or language program in a German-speaking country. This is NOT necessarily a credit hour or course requirement, as participation in a study abroad program satisfies it and certain non-credit-bearing internships, with the permission of the German faculty, could as well. No more than 5 of the required hours may come from internships and no more than 9 of the required hours may be transferred from a pre-approved overseas program. At least 12 hours of 3000- and 4000-level German courses must be taken at the University of West Georgia.
