

# PolicyStat Support

## Effective Date

Effective January 30, 2026, the University System of Georgia transitioned to PolicyStat, a policy management solution that will house the following reference materials:

- Board of Regents Policy Manual
- Academic and Student Affairs Handbook
- Building Project Procedures Manual
- Business Procedures Manual
- Human Resources Administrative Practice Manual
- Information Technology Handbook

## What Changes are Needed?

Institutions and departments will need to update links to policy and procedure references. A crosswalk document is available in the resources below to assist with updates.

- Review your websites and documents to identify links to USG policies and procedures
- Download the URL Crosswalk to map existing URLs to the new PolicyStat links
- Publish your updated materials
- Note: The crosswalk and old redirects will remain available until July 1 to support gradual updates but will not include new policies published after January 30, 2026.

## What are the Benefits of PolicyStat?

- Assist users search for and review USG policies and procedures via a flexible and easy-to-use web interface.
- Allow users to view recent revisions to USG policies and procedures without additional assistance.
- Ensure timely and efficient creation, approval, and upkeep of USG policies and procedures.
- Ensure USG policies and procedures will be reviewed regularly.

## What is New?

- The ability to easily see recent changes within a policy and procedure
- The ability to easily search all reference materials for a particular subject

- A table of contents within each policy highlighting subsections
- Policy owners identified for each policy
- University System of Georgia logo on each policy
- New fields showing effective date and last revised date
- New URLs for all policies and procedures

## What is Not Changing?

- Policy content – All current policies and procedures were migrated exactly as they are with only formatting updates, as needed
- The ability to view USG policies and procedures

## Have Questions?

For technical support access issues, link updates, or help navigating this transition, please email [support@usg.edu](mailto:support@usg.edu) .
