

Group Discussions: Holding Ourselves Accountable

Supervisors: What are 3 actions you can take to ensure the people you supervise know what to do, why they are doing it, and what your unit intends to accomplish?

Non-Supervisors: What can your supervisor do to help you understand what your unit intends to accomplish and why? What is your role in the effort? What can you do to help your unit be successful?

Before break, write down your commitments.

Planning for the Leading Year

What areas of professional development or growth would you like to see incorporated into the Leading Year LDIs that:

- **are specific to your leadership role at UWG**
- **could be part of focused breakout sessions**

CMG Assignment

In the morning discussion, you described 3 actions you will take to hold yourself accountable. Discuss with your CMG your worries, fear, or areas of resistance related to these actions. How do you plan to address them?
