

## Student Success & Campus Climate- UWG Values and Strategic Alignment

Engage West LDI - February 10, 2017 9:00 a.m. – 3:00 p.m.

To be the best comprehensive university in America – sought after as the best place to work, learn, and succeed, we must create an atmosphere at UWG in which all people feel valued, engaged, and connected. This LDI is designed to identify and strengthen inclusion initiatives that foster genuine and authentic connections throughout UWG and the broader community that will support our 2020 enrollment goals.

### Goals of the LDI:

1. Identify the opportunities and challenges for integrating the value of inclusiveness into UWG's strategic imperatives.
2. Better understand opportunities and challenges departments and divisions face in integrating the value of inclusiveness in their work.
3. Develop greater awareness of your impact on campus culture and in creating an inclusive UWG.
