Meeting Agenda

17 September 2020

- I. Attendance
- II. Approval of Minutes from DATE meeting
- III. Selection of notetaker
- IV. Information Item: UWG Student PLA Handbook
 - a. From Danney Gourley Fischer:

Attached is version 1 of the UWG Student PLA Handbook, which represents the collaborative efforts of CALV (spearheaded by Dr. Raulerson), the Registrar's Office Transfer team (led by Melissa Frederick), and Academic Testing Services (led by Dr. Melius). The purpose of the handbook is to have a centralized student-facing document that explains what prior learning assessment is, UWG's policies and procedures regarding PLA, and an inventory of the PLA methods available. Previously, students have had to review multiple websites to compile this information, and the campus currently has no official PLA coordinator. The Handbook will be hosted on the CALV website and updated by CALV.
- V. Information Item: DANTES DSST credit by exam policy
 - a. APC has been asked to review wording.
- VI. New Business
- VII. Old Business
- VIII. Adjourn
