COURSE REQUIREMENTS

1) Repertoire

To be determined by the student and the professor to fit the individual student's growth and interests. During the academic year one piece from each of the four standard periods should be learned. Assigned repertoire and technique level is adjusted to fit the varying needs of students, and to create progressive advancement in level. Additional repertoire information for Level Change and Recitals is given below and in a separate document.

2) Practice Requirements

Students registered for two credits must practice two hours/day for 6 days of the week (12 hrs/wk). Students registered for one credit must practice one hour per day for 6 days of the week (6 hrs/wk). (3 credits is 18 hrs/week). Students performing a Level Change or Recital will need to add to these times. The most important practice day is the SAME day as your lesson so that you can remember what occurred. Please feel free to stop by and see me if you have any questions in between your lessons. It is very important to follow the practice plan established at the lesson and recorded in your lesson notebook. Remember, practice does NOT make perfect, but rather "PERFECT practice makes perfect (Robert Pace)". This is a recommended practice plan:

1. OBSERVE what was correct and incorrect.
2. DIAGNOSE why things were incorrect.
3. PRESCRIBE how to fix the problem.
4. EXECUTE the prescription.
5. EVALUATE its effectiveness.

3) Attendance Policy

Students must be punctual and attend all lessons. Students who miss lessons for any reason, including the instructor's absence, are not automatically entitled to make-up lessons. Please do NOT knock at your lesson time, I will simply open the door.

UWG provides excellent resources to students, and if you need to be absent, and wish to inform me of your circumstances, you may invite a UWG Professional to assist you:

- a) Physical Health: Health Services Patient Advocate(Jill Hendricks, Corey Hindman)
- b) Emotional Health: UWG Cares: www.westga.edu/UWGCares
- c) Academic:(time management, learning disabilities): EXCEL Center: www.westga.edu/excel
- d) Miscellaneous: Dean of Students Office: www.westga.edu/vpsa
- e) UWG music instructor concerning date and time of departure for an ensemble tour or conference.

Please note: communication regarding absences is via email only. Dr. Gingerich is well qualified to assist with musical and pianistic problems. But for reasons of confidentiality and in order to obtain the best professional advice, assistance for situations which are non-musical or non- pianistic must be provided by one of the UWG professional listed above.

4) Concert Attendance

Studio members are expected to support other pianists by attending CREDIT RECITAL performances by other piano students.

5) GENERAL: Level Change, Credit Recital and Hearing-in-Lieu-of Recital Policies

a) Pre-Hearing

You must receive Dr. Gingerich's permission and indication that you are ready to perform AND pass your hearing, in order that respect is given to the time of the two other faculty committee members.

b) Permission

You may not perform your hearing without Dr. Gingerich's permission. However, if you believe that Dr. Gingerich's pre-hearing assessment is not accurate, you may submit a recording of your complete program to the other two committee members, at least 3 days in advance of your hearing, and if they are willing to attend your hearing you may then proceed. If you wish to submit a recording, please ask Dr. Gingerich for the technological specifications (they will be

similar to what is required in Keyboard Skills courses).

6) SPECIFIC: Pre-Hearing Procedures: Level Change, Credit Recital, Hearing-in-Lieu-of-Recital

a) During your regular lesson during the week which is two weeks prior to your recital hearing, you must book Cashen Hall and perform your pre-hearing in its entirety.

b) Should a portion of the repertoire not pass the pre-hearing, a maximum of 3 minutes of unprepared technique or repertoire (Level Change), a maximum of 5 minutes of unprepared music (Half Recital, Hearing-in-Lieu-of-Recital), or 10 minutes (Full Recital) may be performed at your regularly scheduled lesson during the week which is one week prior to the hearing. At this lesson Dr. Gingerich must indicate that these 3, 5 or 10 minutes of music is now at a passing level, in order to be allowed to perform your Level Change or hearing.

7) Committee Establishment Policy

45 days prior to your Level Change or Recital Hearing you must secure the date, time, location, and committee members. This is ENTIRELY your responsibility. In addition to myself you will need two committee members (choice someone supportive). Both your repertoire and dates must be approved by me.

8) Recital Preparation: A. Performance Majors

UWG Departmental Policy

Half Recital: 20-30 minutes of repertoire; must pass Hearing 2 weeks prior to recital date

Full Recital: 40-60 minutes of repertoire; must pass Hearing 2 weeks prior to recital date

Recital Preparation: Performance Majors

REQUIRED

a) Preparing for a public recital is an exciting and demanding undertaking requiring much preparation in advance so that the performer can fully explore the interpretive depths of the music, and competently communicate the musical meaning to the audience. Advance preparation is needed in order for memorization to become internalized, for technical habits to develop naturally, and to allow time for performing experiences in other venues. These methods of recital preparation are utilized by the best concert pianists around the world.

b) In order to provide the preparation time needed for Half and Full Recitals, UWG performance majors are required to prepare the following minimum number of minutes of NEW repertoire [not performed in public the previous semester (s)] during the indicated semester of Principal Applied study. This repertoire may include repeated sections as indicated in the score, or ensemble music as approved by the recital Hearing committee. The number of minutes is calculated based upon anticipated final performance tempi. These requirements are in addition to

those listed elsewhere in this syllabus.

	<i># Minutes of New Repertoire</i>
Semester 1	Introduction. No specific number of minutes
Semester 2	5 minutes
Semester 3	10 minutes
Semester 4	5 minutes. Perform 20 minutes of repertoire for Level Change
Semester 5	15 minutes
Semester 6	5 minutes. Perform 20 minute Half Recital
Semester 7	15 minutes *additional information in g) below
Semester 8	5 minutes. Perform 40 minute Full Recital

c) Learning the number of minutes of new repertoire will be part of the lesson grade. This new repertoire will be incorporated into the lesson grade according to an individualized plan, mutually created by the student and Dr. Gingerich. The following is a typical plan:

September-October: All repertoire is learned and memorized incrementally with specific measure numbers chosen for each lesson.

November-December: Two pieces (or 3-4 as indicated in the Jury category below) are chosen to polish and perform at the jury.

Repertoire which is not learned or memorized according to the individualized lesson plan, will earn a lower lesson grade for the particular lesson assigned. These policies exist to emphasize to students the utmost importance of the advance preparation needed for success for recitals; to provide a structured guideline and realistic timeline by which students can be successful; and most importantly, to create an environment in which students can gain pleasure and satisfaction in the preparation and performance of their recitals.

d) In order to learn the minimum number of minutes of repertoire, students will need to:

- i) practice using methods given at their lesson
- ii) practice the assigned number of hours listed in the syllabus
- iii) practice independently while continually evaluating themselves

e) ***Half Recital-Level Change***

With permission of the principal applied instructor, a piano student's Level Change, having met all the repertoire requirements, may serve as the Hearing for the Half Recital, which if passed, may then be performed during the first semester of MUSC 4600A.

f) ***Half Recital Hearing***

All Performance music majors may choose to perform the Hearing for the Half Recital

MUSC 4941 in the first semester of MUSC 4600.g) *Semester 7 (semester prior to Full Recital)

By the end of semester the following requirements must be met in order to ENJOY and have a successful Full Recital:

-at least 30 minutes out of the total 40-60 minutes of repertoire must be performed from memory up to tempo, with interpretation optional.

-this 30 minutes will be broken into 3 parts of 10 minutes each (may be sections of a piece) which will be graded at a particular lesson in each of the months of Sept, Oct and Nov. The performance must be at an A level in terms of memory and speed, and performances at less than an A level earn a lesson grade of 3 or lower out of 7. The student may choose the 10 minutes of repertoire and the particular performance lesson date in each of the 3 months. This sort of incremental preparation makes for a wonderful recital with a feeling of competence.

-the jury will consist of 15 minutes chosen from the above 30 minutes, performed up to tempo, from memory *and with interpretation*.

9) B. Recital Preparation: Composition and Music Education Majors

OPTIONAL-students may choose to perform a recital after passing the Level Change in Semester 4, and with Dr. Gingerich's approval. Students who do not learn the required number of minutes, will not be eligible to perform a recital.

a) Same as category a) above for Performance majors.

b)	<u># Minutes New Repertoire</u>
Semester 1	No specific number of minutes
Semester 2	No specific number of minutes
Semester 3	No specific number of minutes
Semester 4	Perform Level Change
Semester 5	10 minutes
Semester 6	Composition: additional new repertoire as needed and perform 20 minute Half Recital
	Music Education: 5 minutes
Semester 7	Music Education: additional new repertoire as needed and perform Half Recital

c) Same as category c) above for Performance majors.

EVALUATION

Lessons

Each lesson will receive a grade out of 7% and the best 10 will be kept. It is expected that ALL assigned materials will have been practiced and that you are able to play them at a STEADY tempo. It is expected that you will have followed the assigned practice plan and have made progress towards those goals whether they be technical or interpretive.

Music 1000 Performance

This is held on specific Mondays at 3:30 in Cashen Recital Hall. You must perform one time each semester and will receive a grade simply for doing this. You may view this as a "run through" for your jury. At the lesson prior to this performance, your piece must be “performance ready” in order to be allowed to perform, and Dr. Gingerich will submit the required form to the music dept office. Students enrolled in their first semester of applied study may arrange for an alternate project.

Jury

This final exam is performed in front of the piano faculty. You will play your assigned technique and at least two memorized, contrasting repertoire pieces. For all majors, the semester prior to the Level Change, Half or Full recital, or Hearing-in-Lieu of Recital, approximately 3-4 pieces or more, will be performed, based upon Dr. Gingerich’s determination of the necessary preparation needed for these important performances.

Sight Reading

Each week you will practice assigned pages in the Four Star Sight Reading book using the methodology described at your lesson. 5 times during the semester, USING YOUR BOOK, you will be tested at your lesson.

Studio Class

Attendance is required for ALL students. For students not enrolled in MUSC 1000, more than

one Unexcused Absence will result in the grade of F for the course.

GMTA Attendance

Attend at least one session at the state conference. Proof of attendance is given by speaking to a UWG faculty member, or by submitting a hard copy of a conference handout. Optional, enjoy a social dinner with your Piano Family colleagues.
